

FREE Opioid Overdose & Narcan Distribution (OEND) Training

For clients, caregivers and concerned citizens

Mr. Douglas Johnson, *OEND Designated Trainer*

803.635.2335 x 23

*3rd Thursday of every other month during group counseling
sessions and during individual sessions for clients*

OEND training **caregivers and concerned citizens** will be
scheduled upon request

Participants will receive a *Narcan and an Overdose Prevention Kit*

Opioid Overdose Risk Screening

1. Are you exposed to Fentanyl or persons who use fentanyl?
Yes or No

2. Are you unsure of the quality/strength of the street drugs that you use?
Yes or No

3. Are you unsure of the quality/strength of prescription pills you use?
Yes or No

4. Do you mix drugs during use?
Yes or No

5. Does the effect of you drug use decreases rapidly causing you to use the drug again within a short period?
Yes or No

6. Do you use drugs alone?
Yes or No

7. Have you ever experienced non-fatal overdose?
Yes or No

If you answered yes to either question, we recommend you participate in the **Opioid Education & Narcan Distribution** training to receive **FREE Narcan** to prevent an opioid overdose or death.
